Parent/Guardian Signature

Additional required information:

1. Attach a brief statement of interest in being selected for this program.
2. Attach a list of club membership(s), volunteer experience(s), and extracurricular activities.
3. Teacher recommendation.

Academy acceptance is based upon the applicant's attendance records, previous grades, results of standardized test scores, indicators of applicant's past performance, and successful completion of a student assessment activity. Students accepted will sign a contract agreeing to follow guidelines of the program.

Any misrepresentation or falsification of information on this application will lead to the student's removal from the program.

Suggested test scores to ensure student success in Academy Programs:

Terra Nova Testing — Grade 7:

80% or higher on standardized test scores required for Graphic Communications.

85% or higher on standardized test scores required for Information Technology, Engineering, or Finance

(Non-Public School students will be required to pass an examination administered by the school district.)

NJ ASK Testing — Grade 7:

Score of 220 or higher is required, but does not guarantee acceptance into your chosen program.

Application deadline: February 1, 2011
