

## **DENIAL OF ACCESS TO MILITARY RECRUITERS OPT-OUT FORM**

Federal Law requires secondary schools to release the names, addresses, and telephone numbers of secondary school students to military recruiters who request that information. The parent may withhold this information from military recruiters by completing this opt-out form and returning it to the Principal's Office in the High School.

I object to the release of the name, address, or telephone number of \_\_\_\_\_  
[print name of student] to military recruiters during this school year. I understand that if I want to change this opt-out selection that I must notify the principal's office in writing that the opt-out form is no longer in effect and that student information may be released.
