

MEMO

To: All Parents/Guardian of Student Athletes
From: Gail Canning, RN - School Nurse

Re: *Release for Sports Physicals*

All student athletes must receive a physical examination. It is still recommended that you be examined by your own medical home (family physician) if possible. If you elect to have the school physician conduct the examination, please complete the release below. A handwritten note allowing the school physician to conduct the examination including the date and your signature will also be acceptable.

RELEASE

Students Name

Sport

We choose to have the school physician conduct the sports physical.
