**Special Services Program Introduction**  
**January 30, 2025**

# Welcome to Red Bank Regional High School

---

- With an enrollment of approximately 1300 students, Red Bank Regional High School offers a wide array of educational opportunities for students in grades 9-12 through a comprehensive program of curricular and co-curricular studies
  - The transition to High School can be a daunting and nerve-wracking process! This will serve as your first introduction to special education programming available at RBRHS.
  - This presentation is not exhaustive, so please reach out to your case manager with any specific questions you may have!
  - Articulation is held each year with sending districts prior to scheduling to provide RBR case managers information on incoming students.
- 
- 

# ***Mission Statement***

***To ensure the academic success and personal growth of all students while developing a passion for lifelong learning .***

# Freshman Academy

- Incoming Freshman are assigned to one of three houses: Maroon, Gray, or White
- Each house consists of cross curricular teams of English, math, science and social studies teachers
- Common planning time is provided for teams to meet
- Two guidance counselors are assigned to each house to streamline communication and supports

# Supports

- Child Study Team and Case Managers
- School Counseling Department
- *The SOURCE*
- Academic Mentoring
- Community tutoring
- Lunchtime tutoring
- Homework help
- Peer tutoring
- Summer Slam Program for incoming freshmen

Core course are available at the  
Resource, ICS and General level

Consult the Course of Study  
Guide for AP, IB and DE options

+ Based upon student need, additional  
programming through the 21st year  
may be available

# Programming at RBR

- General Education (taught by general ed teacher)
- In-class Resource (co-taught by general and special education teacher)
- Pull-out Replacement Resource (taught by special education teacher)
- Self-Contained (taught by special education teachers)
- Related Services
- Instructional Aides

# Work Experience and Vocational Opportunities

## Monmouth County Vocational School District The Career Center

Auto Services, Baking, Building Services, Building Trades, Food Service, Horticulture Floral, Horticulture Landscaping, Marketing Education, Materials Handling, Computer & Business Applications, Supermarket Careers

## Work-Based Learning (WBL)

The mission of the Work Based Learning Program is to combine learning with hands-on work experience. As an intern, students learn job skills on-site with a trained job coach. Our current locations include: Marriott, Acme, Lunch Break, Marshalls, and Monmouth County Library. Sites are added and modified based on student interest and independence.

# Summer Programming

- Summer Slam
  - 4 week transition program for incoming in-district freshman
  - Challenging curriculum includes Language Arts, Math, Science, History and Social Emotional Learning (SEL) skills
- An Extended School Year program (ESY) is provided to eligible students to prevent regression and includes:
  - Academics, Life skills, Social skills, Related services
  - ESY 2025 will run 7/7-8/7 Monday through Thursday from 8 - 1 pm
  - Lunch and Transportation is available

# Freshman Orientation

- All incoming freshman are invited to participate in Freshman Orientation
  - Students will have the opportunity to meet their Freshman Academy teachers, meet students from other districts, tour the school, participate in ice breaker activities, and discover all the many clubs, sports and activities available at RBR
  - Date: **End of August typically 2:30–5:30pm**
  - Parents welcome 5:30–6:30pm
  - Transportation provided to the school only
- 
-

- 

# Extracurricular Activities

---

Students are encouraged to try-out and join any sports or activities that they may be interested in. A modified program is offered year round for students who require support and supervision.

A full list of clubs, in school and after school programs and can be found on the website at [www.rbrhs.org](http://www.rbrhs.org)

The Media Center

A wide-angle photograph of a modern media center. The room features a high ceiling with long, recessed fluorescent light fixtures. The walls are light-colored, and there are large windows on the right side. In the foreground, there are several white tables with chairs. In the background, there are computer workstations and a colorful, patterned wall.
