## Safe Return Plan Updated

**Safe Return Plan text and assurances must be agreed to every six months.**

Date Plan Updated

Describe how the LEA will ensure continuity of services including but not limited to services to address students' academic needs and students' and staff social emotional mental health and other needs which may include student health and food services. (1000 of 1000 maximum characters used)

**Approaching maximum character limit.**

The Social and Emotional Learning of students and staff is essential to re-engaging students, supporting adults and rebuilding relationships. SEL will be embedded throughout all professional learning and on an as-needed basis for individual support. We will continue to ensure students have access to breakfast and lunch. The District's Source (School Based Services Program), the guidance department and the special services (CST) department will work collaboratively to support all staff, students and families. Academic Supports: All students will have access to a variety of after school and

Describe how the LEA sought public comment on its plan and how it took those public comment into account in the development of its plan. (830 of 1000 maximum characters used)

The Safe Return Plan was shared with the following stakeholders: District Pandemic Response Team, Red Bank Regional Education Association, all District staff, parents/guardians and community members. It was shared in both English and Spanish on our website, via parent portal messaging system, Blackboard messaging system and email to staff and parents/guardians, and during a public Board of Education meeting. As the plan is updated, a Google Form/Survey is shared on the District website giving the public opportunity to comment on the plan. The survey never closes to ensure

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or if not practicable to provide written translations to a parent with limited English proficiency will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA will be provided in an alternative format accessible to that parent. (253 of 1000 maximum characters used)

The Safe Return Plan is on our website which is translatable to many different languages. In the event an individual has questions or is in need of assistance reading or understanding the plan, appropriate support will be provided based on their need.

Briefly describe any guidance professional learning and technical assistance opportunities the LEA will make available to its schools. (254 of 1000 maximum characters used)

The District makes itself available to any staff, student or parent need as topics arise. The Counseling and Academic Departments host many events for topics such as Social Emotional Health, Medical Health, Counseling, Technology, Academic Support, etc.

Provide current link to the district's website where the plan is posted.

By checking this box and saving the page, the applicant hereby certifies that they will assure that the information contained in the Safe Return to School plans will be updated within this system every 6 months during this grant project period.

Assurances Fully Agreed to By:
