1.1 PILOT PROGRAM INCLUSION

WHEREAS, The Red Bank Zoning Board voted in April of 2024 to identify an area surrounding the Red Bank Train Station as an area in need of redevelopment, and a proposal has since been made public by developer Denholtz Properties to create up to 400 apartment units as part of the redevelopment; and

WHEREAS, Red Bank Regional High School is the public high school of the Boroughs of Red Bank, Little Silver, and Shrewsbury, which all residents of the

three municipalities are legally entitled to attend for their grades 9-12 education;
and

WHEREAS, Funding for the public education provided by Red Bank Regional High School to our students is derived primarily from local property taxes collected from the three sending districts of Red Bank, Little Silver, and Shrewsbury; and

WHEREAS, It is the right of the Borough of Red Bank to enter into a Payment in Lieu of Taxes (PILOT) Agreement if it so chooses. By default, the Borough of Red Bank would receive 95% of said payment and the Red Bank Regional High School district would receive no funding towards the education of any high school-age students residing in the hundreds of new apartments; and

WHEREAS, It is the right of the Red Bank Regional High School Board of Education to request participation in the creation of a PILOT agreement and compensation from said agreement; and

WHEREAS, Being denied an equitable share of a PILOT agreement to fund the education of these students would be detrimental to the finances of Red Bank Regional High School and negatively impact all students of the Boroughs of Red Bank, Little Silver, and Shrewsbury, up to and including potentially severe budget cuts to offset the funding for public education being diverted by the Red Bank Borough Council via said agreement;

NOW, THEREFORE BE IT RESOLVED, The Red Bank Regional High School Board of Education formally requests involvement in any PILOT agreement negotiations between the Borough of Red Bank and Denholtz Properties with the intention of securing public education funding proportional to what would be received by Red Bank Regional High School without a PILOT agreement; and
